“ I hope the love and support from family and friends bring you peace during this difficult time. I think back about all the family holiday we all had together, when Kevin and the rest of the kids would play King of the hill with granddaddy's sled with wheels. I know Shirley, Granny , grandad and Edna were there waiting to take him home. Rest In Peace Kevin

“ My first memory of Kevin was when he was a small boy and I was building a house for Brownie (Paul) and Janie. Kevin and his brother, Brian were fixtures on the job site. He was very inquisitive and interested in what was going on. In later years, I enjoyed our time together playing golf. Despite his back, it was obvious he was a talented golfer and really carried our team in the Bud Foster golf tournament. I will miss him.
