“ I am so sorry to hear of Steve's passing. I worked with him at the old Walmart store in the 90's. I so enjoyed our conversations and joking around with him. He always talked about his wonderful little girl Brooke. He was a kind man. May God be with you during this time. Bless you all.

“ Prayers and thoughts for his family. This guy could always make you laugh. Even if you didn't want to..he always had a smile even on his worse days. Seems like nothing got him down..

To Connie his sister.. Know you have a very heavy heart right now..losing your husband few years ago. Then your mother a while back. And now your brother. Special prayers and thoughts for you..Both you and your family gave me wonderful memories growing up..

Keep your trust and faith. You will see them all again in Heaven..

“ Connie and family, I am so sorry to learn that your dear Steve has passed. I have so many wonderful memories of our childhood times spent in your home. Steve was always kind to us. He took us tubing on Little River. I think we were supposed to fish but we laughed and screamed so much we scared the fish away. He let you borrow his van for our graduation night at the lake. Please know I will always remember him as fun and funny, but most of all I will always remember his kindness.
